

Application: Student-based Group

1. Please provide your name and email address:

2. What position(s) are you seeking?

3. Please provide any past experiences with organizations and/or any additional qualifications:

4. Essay: (the limit is the sky)

- a. Why would you like to get involved in this new organization?

- b. Please explain the concept of service and leadership as related to organizational involvement:

- c. What are your aspirations for this group?

- d. How would you deal with the following scenario:

You've heard that members of the Muslim community on campus have unrightfully spread misinformation about your organization. It has reached the point where many members of your group are offended and riled up and feel that action should be taken by the leadership against this group of individuals. You too are quite disturbed. What would you do?
